

Interdisciplinary Studies Field (ISF) Major Two-Year Plan

You must have one of the two World Civilization requirements completed to be eligible to apply to the ISF major. If you are a transfer student and have not yet satisfied this requirement, you should enroll in one of these courses your first semester and declare your major early in the following semester.

JUNIOR YEAR: (complete any remaining L&S requirements and begin upper division work in the major)

FALL

ISF100A Theory and Methods _____
